Bart and the whole Sportwerk Hamburg team

DSQV Masters Director Störte Becker

Dear Squashmasters from all over the world,

It gives me great pleasure to welcome you to Hamburg. After the incredibly successful debut in Hamburg in 2018 we have returned here to Sportwerk for a second year!

We were overwhelmed last year from the response, reaching our maximum number of entries of 250 in 7 weeks. This year it took just 11 days to reach the same limit. Incredible!

For this I would like to just say: Thank You – You are the best! ☺

I am sure we are going to have 3 strenuous but first of all fair tournament days before us. Together we can all make this an amazing experience.

Finally, I would like to say a few general words. Even though not all organisers manage to prepare perfect tournaments and taking into account that there are certain things inside ESF, which could or should be improved, despite this we should all recognise that the way that certain things are commented on or communicated in social media leaves behind scorched earth. Please remember: not only do we need masters, who want to play tournaments, but also we need centres, clubs and (volunteer) organisers who are prepared to spend large amounts of unpaid time for your benefit.

Enjoy your stay in Hamburg, have lots of fun and most importantly stay healthy

Yours, Störte

DSQV Masters Committee Member Alan Hathway

Once again almost 2.000 E-Mails received and written so that 274 players can take part in our second German Masters in Hamburg. The schedule for all 3 days will be published at the latest on Thursday 03.10.2019 at 00:01. We have paid special attention to the playing systems. Everyone has 4, 5 or sometimes 6 matches planned. So even if there are injuries 😞 or no-shows 😡 everyone gets value for the entry fee. The rest is easy. You just have to enjoy yourselves!

If you have any questions (like: "Why on earth...") – there is probably a reason. Just ask me!

Important Information regarding Playing Times.

We have scheduled all 3 days of the tournament with a very tight time-plan. We will NOT be announcing games. Please look at the schedule and wait before the appropriate court for your game.

However, there may be late cancellations and withdrawals, which means time slots will become free.

Please regard the scheduled playing time of your game as "What we hope will happen" but you should be before the court at least half an hour before your game, so that you can start early if the court becomes free. After each match BOTH players referee the next match on the court you have just played on. Please do not keep the next game waiting, because you "disappear"!

Wichtiger Hinweis zu den Spielzeiten

Wir haben alle 3 Turniertage mit einem sehr knappen Zeitplan terminiert und hoffen hier auf Eure Unterstützung, damit alles reibungslos läuft. Es werden KEINE Spiele aufgerufen - bitte beachtet deshalb den Zeitplan und findet euch rechtzeitig vor eurem Court ein. Wie immer wird es wahrscheinlich zu sehr späten Absagen und Spielausfällen kommen, die dazu führen, dass die Courts nicht durchgängig belegt sind. Betrachtet die angekündigten Spielzeiten deshalb bitte als „Anhaltspunkt“ und seid 30 Minuten vor der angesetzten Spielzeit vor eurem Court, damit Ihr ggf. früher anfangen könnt, sollte der Court früher frei sein. Nach jedem Spiel müssen BEIDE Spieler das darauffolgende Spiel schiedsen. Bitte das nächste Spiel nicht dadurch verzögern, weil Ihr „verschwindet“!

General Tournament information

Tournamentdesk:

The tournament desk is located on the ground floor directly next to the stairs.

Responsible crew for the planning and execution of the tournament:

Christian Wucherer and Christian Offermann

The Tournament Referee is Wilhelm Eickworth.

All rules as stated in the official entry form and ESF regulations apply.

All results will be displayed in the center and [online \(Tournament Software\)](#).

Games & Starting times

Be aware that the matches will not be announced when they start. This means that each player is personally responsible to be in time at the designated court for his game. This also implies that if previous matches cause a delay or finish early the player has to be present as soon as the preceding match is finished.

After the match, BOTH players have to ref the next match. After finishing refereeing, the refs are asked to bring to score sheet AS SOON AS POSSIBLE to the tournament desk. In this way, delays can be prevented.

Bags

Since all courts will be used for the tournament, there will not be a room to store your bags. Therefore, we kindly ask you to place them in a neat manner. With over 300 people in the center, it otherwise might be messy and packed. Be aware that we do not take responsibility for your belongings. Valuables should be stored in our lockers.

Physiotherapy:

The physiotherapist, Rösi Bittner, is located in the Wellness area. Please contact her via the tournament desk.

NO WIFI

Since we need to make the internet work for our organisation it is unfortunately NOT possible to provide everyone with access.

Live Stream

For all matches played on the center court a live stream is available, here: <https://sportdeutschland.tv/>

Stringing

There will be a racket stringing service. Did you break your strings? Ask at the reception desk for help!

Practice/Warm-up Courts

Courts 13 & 14 can, if not used by the tournament, be used as warm-up courts!

Survey

After the tournament the ESF will have a survey for the tournament on their website. But, of course, if you have suggestions or comments, we much prefer you to talk to us during the tournament – then we can help immediately or possibly explain the reason, why we do things like we do.

Shiatsu Massage/Therapy:

The Shiatsu Therapist, Ina Haverhals , will be located in the Wellness area / physio room.

Please contact her directly on her mobile phone or send her a whats-app to make an appointment:
